

## About Partnership

The Wauconda Park District will be hosting its eleventh annual Wauconda Triathlons on Sunday, July 24th and Wauconda Kids Triathlon on Saturday, July 23rd . The events will be held at Cook Park in Wauconda. The swim portion of the race will take place in Bangs Lake and the bike and run portions will take participants through the scenic Wauconda countryside.

At this time , we would like to offer you the chance to be part of these successful events. In 2015, over 500 athletes participated in our events from across the Chicagoland area, as well as parts of Wisconsin. The race also brings family and friends out to support the athletes for the weekend. Included, you will find information outlining the various partnership packages that are available to you. We hope that you will consider becoming involved in this great opportunity.

It is with support from businesses like yours, that the Wauconda Park District is able to host such successful events. Your generous support is not only recognized by our committee, but by our community and the athletes who participate. If you have questions pertaining to partnership, please contact Annie Reising, Marketing Coordinator, (847) 526-3610 or areising@waucondaparks.com. We look forward to you becoming a partner in our events as we make Wauconda a better place to live, work, and play.

Warmest Regards,

Wauconda Triathlon Committee

swim it. bike it. run it. *tri it.*
