

As We Grow Preschool

Our preschool program is intended to help stimulate your child's social, emotional, and creative development. Our program emphasizes socialization and learning through play. Classroom activities encourage problem solving, creativity, self-expression, and academics. This enables children to explore in a room filled with warmth, affection, and respect for others. It is the preschool environment where children learn to respect the authority of adults other than their parents. Friendship, sharing, and cooperation are modeled and practiced on a daily basis. The children will participate in all types of learning including art, music, creative play, cooking, literature and science. Through carpet time, direct instruction, hands-on learning and free-time activities, the children are exposed to a curriculum that enhances their creativity and provides a positive atmosphere for learning.

School Calendar and Payment Schedule
 Our preschool runs from Mid-September through late May. A detailed calendar will be given out during the first week of school. All payments are monthly and are based on a yearly fee broken into nine equal payments. The registration fee, which holds your spot, is equal to one month's tuition and is used to pay the May tuition. No refunds are given for the registration payment should you withdraw from the program. All payments are due on the 1st of each month. Payments not received by the 7th of the month will be charged a late fee of \$15. Enrollment in the automatic payment program is highly encouraged.
- 
Open House
 Our yearly open house is scheduled for Tuesday, February 19th and Wednesday, February 20th from 6:30-8:00pm. These evenings give you a chance to meet the teachers, see the facility, and allow the current students to show off some of the projects that they have been working on during the school year.
