

Music and Movement (18 mos-2 1/2 yrs w/parent)

Your child is up and moving around, so this is a great class to spend some time together dancing, singing and playing. Each week we will focus on a different theme that will incorporate educationally and age appropriate music for toddlers. Some music may be traditional and others will be presented through rhymes and finger plays. The movement part of the class compliments the music using instruments, parachute, ribbons, bubbles & more! **This is a parent/child program.**

Super Sensory (12-18 mos w/parent)

Your child is at an amazing stage. They are now getting up and moving, expanding their boundaries and trying to better understand the world around them. The senses are the gateway to unlimited learning experiences. Sensory play and activities include anything that stimulates your child's senses including: taste, smell, touch, sight and hearing. These activities facilitate exploration and naturally encourage children to use scientific processes while they play, create, investigate and explore. Each week we will focus on different aspects of learning through a variety of sensory activities specifically designed to address these skills. Please dress for possible messy activities. Let us know of any allergies at the time of registration as some activities may involve food or items that may end up in mouth or on skin. **This is a parent/child program.**

Baby Playtime (6-18 mos w/parent)

This class is designed to be your baby's first chance to meet new friends and give you the chance to socialize with other moms experiencing a lot of the same things. We will use music, a variety of toys, parachute, sensory objects and of course, BUBBLES! This class will focus on motor, sensory and social skills. We will have a circle time each week for you and your baby to sing and bond. The instructor will have literature and ideas for new moms to help enhance this wonderful time of life. **This is a parent/child program.**

Barnyard Banter (18 mos-3 yrs w/parent)

Come on down and see what's happening in spring on the farm. Each week we will play and learn about all the exciting things found in and around the barnyard. We will listen to age appropriate stories, use puppets, stuffed animals and lots of toys. During our playtime we will act out the familiar and favorite animals found living at the farm. The kids will love spending time each class dancing and singing to barnyard music. **This is a parent/child program.**
